

# PROTECT YOURSELF AGAINST THE FASTEST GROWING CRIME - IDENTITY THEFT

**2016**  
ID fraud affected 15.4 million consumers costing a total of \$16 billion

iLOCK360 is a comprehensive identity and credit monitoring service that helps you maintain control over your personally identifiable information (PII). This protection is one important step in remaining vigilant against the increasing threat of identity theft and data breaches.

iLOCK360's proprietary technology scours malicious websites 24/7/365 to identify if your personal information has been bought or sold online. In the event you become a victim of identity theft, you will be alerted via email so action may be taken to address the issue. You will also be assisted by a *Certified Identity Theft Restoration Specialist* who will work on your behalf to restore your good name.

## PROTECT THE INTEGRITY OF YOUR IDENTITY WITH NON-STOP DARK WEB MONITORING

### CyberAlert™ Internet Surveillance

Get peace of mind knowing that our exclusive technology scours websites, chat rooms and bulletin boards 24/7/365 to identify trading or selling of your personal information online. CyberAlert™ monitors:

- one Social Security number
- two phone numbers
- two medical ID numbers
- five bank accounts
- two email addresses
- one driver's license
- five credit/debit cards
- one passport

**Our 360° approach to identity protection keeps your identity monitored from multiple angles.**

### \$1 Million of ID Theft Insurance

For even more peace of mind, you are insured with a one million dollar insurance policy against covered expenses in the event that your identity is compromised.

### Lost Wallet Protection

In the event that you lose your wallet, iLOCK360 agents will make all the calls necessary to replace missing cards and IDs: quick, easy, and less stress for you.

### Full-Service Identity Restoration

Contact an iLOCK360 *Certified Identity Theft Restoration Management Specialist*, who'll work on your behalf to restore your ID, and let you get on with your life.

### Change of Address

Prevent criminals from accessing your bank statements, credit card statements, and other identifying information by monitoring any changes to your address.

### Court Records

Know if and when your name, date of birth and Social Security number appear in court records for an offense or crime that you did not commit.

### Credit Bureau Monitoring

Provides you with notifications for changes in a credit report such as loan data, inquiries, new accounts, judgements, liens and more.

### Social Security Number Trace

Know if your Social Security number becomes associated with another individual's name or address.

### ScoreTracker™

Receive a monthly report that provides relevant information with trends and credit score insight.

### Sex Offender Reports

Understand if and when any sex offenders reside or move into your zip code, and ensure that your identity isn't being used fraudulently in the sex offender registry.
