PEACE OF MIND FOR YOU AND YOUR FAMILY

With mass data breaches and identity theft becoming a part of daily life, you want help that is a phone call or click away.

- iLOCK360 is a comprehensive **identity theft & credit monitoring service** that helps you maintain control over your personal information.
- Scours the Internet's **Black Market** (the Dark Web) **24/7/365** to identify if your identity has been bought or sold online.
- Automatically **alerts you via email** so action may be taken to address the issue.
- **Daily monitoring of your Experian credit profile** that provides you with notifications if there are changes in your credit report such as loan data, inquiries, new accounts, judgments, liens and more.
- If you become a victim of identity theft you will also have assistance from a **certified Identity Theft Restoration Specialist** who will work on your behalf to restore your good name.
- Costs associated with restoring your identity will be covered under the \$1M insurance policy with \$0 deductible.
